

A BRIEF HISTORY OF THE COLLEGE

Endowed with the bounties of nature and a rich cultural heritage alongwith the past glories, Gopalpur-on-sea, has been able to inscribe a special place for itself, not only in the Orissa map but also in the Map of India. It would not be an exaggeration to say that it has also acquired the significance of being recognised as an international tourist place. While its scenic beauty has attracted many tourists from both in and outside the Country, its geographical conditions have also attracted many industrial giants to set up their ventures over here. But ironically enough, in spite of all these, the people of this region are backward, both economically and educationally.

Prior to 1982, there was no College in this region for higher education of the children of these backward people. Due to economic hardships they were unable to send their children to the nearby towns. So the youth of this region were virtually deprived of their right to get higher education. Realizing the gravity of this problem, some sensible elite of this region conceived the idea of establishing a College at Gopalpur. With the untiring and selfless efforts of the then local M.L.A., Late Sri Ghanasyam Behera, Sri M.Venkat Rao, the then Chairman of Gopalpur N.A.C., Late M.Rama Murty, Late Dr. K.C. Gantayat, Prof. J.K.Baral of Berhampur University and a host of other education conscious people of this region, the dream of establishing a College at Gopalpur was materialised in 1982. The present Gopalpur College, in its infant shape, came into existence on 6th Aug 1982.

As there was no building of its own, the College initially functioned in the premises of the P.M. High School, Gopalpur. Strange it may seem, but the College started only with the stream of Intermediate Arts (I.A) having only six students. Intermediate Commerce (I.Com) was added to the already existing Arts stream from July 1983. Due to lack of finance, the College could not deposit the requisite fees for getting the Govt. recognition & C.H.S.E. affiliation till 1985-86 academic session. During 1985 an amount of Rs. 1,00,000/- was collected in form of loan from some local people with the active initiation of Late Dr. K.C. Gantayat and the same was deposited towards the fees for recognition and affiliation.

Consequently the College got Govt. recognition and affiliation from C.H.S.E. Orissa, for +2 Arts & +2 Commerce from the session 1986-87. In the mean time, on request from the then sitting M.L.A., and President of the G.B., Gopalpur College, Late Sri Ghanashyam Behera, the then Honorable Chief Minister of Orissa, Sri Janaki Ballav Patnaik transferred the possession of the unused Revenue Department Building of Gopalpur to the college for its functioning. The present College building with a little modification and expansion is the same building which we got from the Govt. of Orissa.

Subsequently, there was a pressing demand from the local people for opening of Science Stream in the College. Keeping this in view, the Science Stream at the +2 level was inducted from the academic session 1989-90 and in the same year the stream got Govt. Concurrence & affiliation. Further to give the students of this college an assess to the Degree courses, +3 Arts was introduced

from the session 1990-91. It got the Govt. Concurrence and affiliation from Berhampur University in the same year too. Finally +3 Degree Courses in Science was started from the session 1993-94. In the academic session 1990-91, the college got its permanent Govt. Concurrence and permanent affiliation from C.H.S.E. Orissa, for +2 Arts and +2 Commerce streams. To go a step further, the College initiated Honours courses in +3 Arts stream in History, Political Science & I.R.P.M. with 16 seats in each subject from the session 1997-98. The college was accorded permanent Government concurrence and affiliation for +2 science as well as Degree Arts & Science by CHSE and Berhampur University from session 2002-2003. As per letter no ___ dtd ___ from Dept of Higher Education, Odisha after closure of Khallikote Cluster University, the college was again re-affiliated to Berhampur University vide letter No.____. The College was accorded permanent Government concurrence for +2 Science ,+3 Arts ,+3 Science and got permanent affiliation from CHSE Orissa, and Berhampur University, respectively from the session 2002-2003.

The University Grants Commission has enlisted the college under section 2(F) and 12(B) of the U.G.C. Act 1956 w.e.f. 2004. Further the college has introduced Honours course in +3 Science Stream in Physics, Chemistry, Mathematics, Botany, zoology with 8 seats in the each subject from the session 2003-2004.

Now, in the e-commerce way of life, the college inducted +3 Commerce stream at the degree level and I.T. (Information Technology) in +2 Science and Arts stream. The College has been accorded permission from the Govt. of Orissa Department of Higher Education from the session 2009-2010. Further, Govt. has also accorded permanent recognition to the +3 Commerce stream from the session 2010-11.

Considering the growth of passout students from nearby High schools and keeping in view the demand of the locality, the college has increased its seats strength from 128 to 192 in +2 Arts stream from the session 2010-2011.

The honours seats in History, Pol.Sc, Economics, IRPM were enhanced to 40 and honours in English, Odia and Education was introduced with 32 seats in each from the academic session 2015-16. The honours seats in Physics, Chemistry was enhanced to 48 where as in Math, Botony, Zoology enhanced to 32 seats. The honours seats in +3 Commerce stream was increased from 128 to 192.

The College was included in the Khallikote Cluster University from the session 2015-16. Marine Science was introduced in +3 Science stream from 2017-18 session. The College follows the CBCS pattern of education from session 2015-16. Now the college has been full fledged with all the streams at +2 and +3 level.

The +2 Stream of the College came into the Grant-in-aid fold from the session 1994-95. The left-out cases of +2 stream & the +3 staff received Block Grant from the Govt. of Orissa from the session 2009-10 and Grant-in-aid from 2017 January.

It is heartening to state that the College, sailing through all its ups & downs, has reached the present stage. Now it is considered to be one of the Model Colleges of this region. This is undoubtedly an achievement for the College. Behind this achievement, there are many hands. The Management, the young & dynamic staff members and the Co-operation of the people of this region is instrumental for all-round development of this college.

Now, the College has not only grown in its structure, but also has grown in quality terms. The educational needs of its students are well looked after by the qualified and experienced faculty members, some of whom are conferred upon Ph.D & M.Phil degrees. Owing to this the strength of the students has gone up from mere 6 to around 1800 at present.

By now nearly thirty seven years has been elapsed amidst many ups and downs in the history of the college.

The College is putting its all out effort to bring this Temple of Education to the forefront by giving quality education to the youth of this region and also to develop their personality as a whole.

COURSE STRUCTURE

The Indian Higher Education Institute have been moving from the conventional annual examination system to semester system. Currently the institutions have already introduced the choice based credit system. The semester system accelerates the teaching-learning process and enables vertical and horizontal mobility in learning. The credit based semester system provides flexibility in designing curriculum and assigning credits based on the course content and hours of teaching. The choice based credit system provides a 'cafeteria' type approach in which the students can take the course of their choice, learn at their own pace, undergo additional courses and acquire more than the required credits, and adopt an interdisciplinary approach to learning, it is desirable that the HEIs move to CBCS and implement the grading system.

The CBCS provides an opportunity for the students to choose courses from the prescribed courses comprising core, elective/minor or skill based courses, The courses can be evaluated following the grading system, which is considered to be better than the conventional marks system. Therefore, it is necessary to introduce uniform grading system in the entire higher education in India. This will benefit the students to move across institutions within India to begin with and across countries. The uniform grading system will also enable potential employers in assessing the performance of the candidates. In order to bring uniformity in evaluation system and computation of the Cumulative Grade Point Average (CGPA) based on student's performance in examination, the UGC has formulated the guidelines to be followed.

The Curriculum for undergraduate courses under choice based credit system is as follows.

PROCTORIAL SYSTEM

Proctorial System is meant to strengthen the teacher-student relationship and to make the teacher and student come closer in solving their personal problems and also the problems of the institution. It enforces more discipline, more involvement and heart to heart contact with the students. An effective working of this system will make a student feel that he is an essential part of the institution and an important member of a large family.

There shall be a College Proctorial Committee, the members of which are nominated by the Principal for a session. The system will operate as per the following guidelines.

1. Every student will be placed under the charge of a proctor/Mentor who shall be a member of the teaching staff.
2. The notification of Proctorial groups should be prepared within a month of the students' admission.
3. The student shall furnish such information to the Proctor/Mentor as is required for the maintenance of the Proctorial records.
4. The student shall always be available and readily meet the Proctor/Mentor as and when required to do so and carry on such work as may be assigned from time to time. This implies that no student shall leave the headquarter without informing the Proctor.
5. Any adverse report against a student by the Proctor/Mentor will be deemed as gross misconduct by the student and dealt with accordingly.
6. No help in any service or any form of assistance shall be given to the students without the Proctor's/Mentor recommendations.
7. For promotion to the next higher class, the opinion of the proctor concerned shall be taken into consideration.
8. Marks in respect of terminal, Pre-Test and Test obtained by the student and attendance during each term are to be entered in the cards by the Proctor. He should see that these cards are despatched to the parents for information and necessary action at their level.
9. No application from any student shall be entertained unless it is duly forwarded by the Proctor/Mentor concerned.

THE COLLEGE CREST

ESTD. 1982

The Motto of the Emblem is

"SATYAMEBA JAYATE"

This signifies to lead me from falsehood to truth. Truth is always victorious in the advancement of learning and wisdom.

The floating vessel on the waves of the Bay of Bengal symbolises the Oriyan Culture that they had the prosperity through trade and commerce at the Gopalpur Port with a new era of industrialisation and advancement of transport and communication. The light House signifies the enlightenment and future prospective of the Gopalpur Beach in the tourist map of the nation.

The inflamed lamp and the opened book signify that the aim of the college is to spread higher education and eradicate the darkness of ignorance and illiteracy and enlighten all with knowledge, love for peace and desire for prosperity.
